Strategic Land on Main Road Between Paje and Jozani - Mtule, Zanzibar This 3,000 sqm plot is located in Mtule, directly on the main road between Paje Roundabout and Stone Town, on the highly trafficked stretch between Jozani and Paje. Following recent infrastructure upgrades, the road has been fully expanded and renovated into a four-lane tarmac highway, dramatically increasing accessibility, visibility, and commercial value. The surrounding area is undergoing rapid development, with new petrol stations, commercial zones, and construction projects emerging just a few hundred meters away.
